DEANNE CENTRE MANAGER

ආයුබෝවන්! வணக்கம்! Kia ora whānau! I am Whaea Deanne, Centre Manager of Wee Wisdom Montessori Drury. I have had the pleasure of working with the Wee Wisdom family together with my sister (Whaea Christina) since 2016.

I hold a Bachelor's in Teaching (ECE) and a Full Teacher Registration with over ten years of teaching experience in Early Childhood Education. I am a first aider and an advocate for Child Protection. I hold a NAMC 3-6 Montessori Diploma and was a Montessori child myself. I am passionate about the Montessori way of teaching and learning, and a staunch advocate for the Montessori philosophy. I now work on mentoring the next generation of leaders promoting personal and professional development. I love every moment of it!

P.S. I am a spiritual warrior, a lover of dogs and people, a crazy book lover, and a dreamer!
